4. *Faculty Handbook, Part Six.*

FEC will present all but Part Six of the Faculty Handbook for a vote at the Faculty Meeting. Because Part six is currently being edited (including removal of the two mentions of the ICGUTF, pp. 603 & 605) it will be put on floor to be held over for formal adoption at the next Faculty Meeting. FEC noted that the issue of "Academic Freedom" is mentioned only in the "frequently asked questions" section, and should the latter be removed, as has been proposed (making it a separate flyer, perhaps), discussion about Academic Freedom will need its own section and heading somewhere in the Handbook.
